TICKET TYPES

With three theme parks, one water theme park and its entertainment area, there is no reason not to go for the **Park-to-Park tickets**. In our experience, most families visiting Orlando stay between **five and seven days** and opt for **3- to 5-day tickets**.

Park-to-Park

Guests with 3+ day Park-to-Park tickets can jump between Universal Epic Universe, Universal Islands of Adventure and Universal Studios Florida.

Note that 1- and 2-day Park-to-Park tickets do not include Universal Epic Universe.

Base

Base tickets are the most economical option, but they don't give you as much flexibility and don't allow you to ride the Hogwarts Express™. Base tickets are available for 1- to 3-days.

Why Stay at a Universal Hotel?

We highly recommend you stay at an official Universal Orlando hotel. With convenient locations — many within walking distance of the parks — they also offer *hopful* benefits to hotel guests, such as:

Early Park Admission on select rides in either Universal Studios Florida, Universal Islands of Adventure, Universal Epic Universe, and rides in Universal Volcano Bay.

Universal Express™ Unlimited ride access is offered at Loews Portofino Bay Hotel, Hard Rock Hotel® and Loews Royal Pacific Resort.

(Universal Epic Universe and Volcano Bay are not included).

For up to five people, that's a value of up to **\$705 per day!**

*Calculations based on the estimated cost for a 2-Park Universal Express Unlimited Pass, starting at \$115 per person (cost varies by season).

HOTELS: Undercover Tourist offers a **flexible deposit option** for Universal Orlando hotels! Lock in your Universal Orlando hotel stay for a refundable \$200 deposit, and pay the balance 30 days prior to check-in.

WHERE TO EAT

Dining at Universal Orlando Resort does not take a ton of advance planning (minus researching restaurants, of course!).

Make reservations for restaurants in City Walk and character meals such as Marvel Character Dining or The Grinch™ & Friends Character Breakfast (available during the holidays only) a month or so in advance, especially if you are visiting during a busy time. Here are the Frog Family's favorite Universal restaurants!

UNIVERSAL EXPRESS PASS

With an Express Pass, you can enjoy shorter wait times at select attractions and experiences at Universal Orlando Resort!

See which rides are included on the "Popular Rides and Attractions by Park" pages

THERE ARE 3 KINDS OF UNIVERSAL EXPRESS PASSES AVAILABLE:

UNIVERSAL EXPRESS PASS

Includes **one-time** access to the Express line at participating rides and attractions

UNIVERSAL EXPRESS UNLIMITED PASS

Includes **unlimited** access to the Express line at participating rides and attractions

UNIVERSAL EXPRESS NOW

Includes **same-day, one-time** Express access to a single participating attraction within the Universal Orlando app.

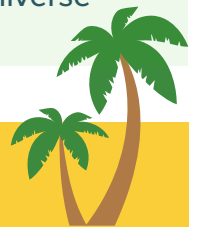

UNIVERSAL EPIC UNIVERSE

One of the best ways to maximize your time at Universal Epic Universe is with Express Pass, which is offered at all but one ride in the park. At this time, Universal Epic Universe does not offer Express Unlimited.

Express access is limited to one-time access per participating ride at Epic Universe. This also means that Universal hotel guests with Express Unlimited cannot use Express Unlimited at Epic Universe.

Be sure to look for Express Passes that say "PLUS Universal Epic Universe" if you want to use Express Pass at the newest theme park!

THERE ARE A FEW IMPORTANT THINGS TO NOTE ABOUT THIS OPTIONAL, PAID SERVICE.

Universal Express Passes at Universal Orlando Resort are **separately ticketed**.

You can buy **in advance or in the park** (subject to availability).

The Express Pass is a **paper ticket** about the size of a credit card. You'll present this to the team member at the Express queue.

Halloween Horror Nights offers its own Express Pass, allowing you to skip the haunted house lines.

Note that Universal Express Pass follows the park admission you have — guests wishing to visit both parks will still need **Park-to-Park versus Base**.

Universal Volcano Bay also offers two types of Express Passes: **Express PLUS Pass**, which includes one-time Express access to **all rides**; and **Express Pass**, which includes one-time express access to **some rides**.

*A separate theme park admission ticket is required in addition to Express Pass
*Prices vary by date

TIPS AND TRICKS

Doing a little bit of planning before your visit can mean the difference between an OK or *toadally* terrific time. Here's how!

Decide in advance what you want to do in the parks. Use our list of attractions so you can decide what your priorities are. Make planning your trip a family affair, and let everyone pick a couple of rides that are must-dos.

Stay on-property. Universal's on-property hotels offer Early Park Admission one hour before the parks open. (Valid theme park admission is required.) Select hotels also offer Universal Express Unlimited — an incredible value! With Universal Express, you can *hop* into shorter queues at most of the parks' rides.

Pick the best day to visit. Use our Crowd Calendar to identify the best dates to visit and then the best parks to visit on each day of your trip.

Use the Single Rider Lines. If you don't mind your party riding separately, these are often even faster than Universal Express. These do skip major queue elements, so first-timers may not want to use them on rides such as Harry Potter and the Escape from Gringotts™ and Harry Potter and the Forbidden Journey™.

Get a 3-Day (or longer!) ticket to **visit Universal Epic Universe more than once!**

If you're staying off-property during a busy time, consider purchasing Universal Express Passes. Buy from Universal online or when you get to the parks, or save some *green* when purchasing through Undercover Tourist.

Download our Orlando Theme Park Day app or print our Park Plans and general maps. Our app offers showtimes, crowd levels, wait times and height requirements. It also offers pre-set or customizable Park Plans. Or go to the site and print our Park Plans or general maps for the best time to visit all rides.

Arrive before the parks open. Team members typically open the parks even before the official posted openings. The first few hours are the least-busy times in the park, and you can experience a lot more when crowds are low.
